D.O. RIBERA DEL DUERO**

TASTING NOTES:

Aromatic, powerful, fragrant, and fresh. Delivery raspberries, strawberries, aniseed touches, ripe grapes, greedy. There is stone fruit, flowers, such as lily or violets, plum skin, balsamic herbs and a spicy background. It has a splendid mouth, fresh and greedy, without saturating, balanced, with an elegant bitterness reminiscent of the skin of red grapefruit. Very persistent length with volume and mellowness.
